Ms Jackie Knott [jackie@thecyberacademy.co.za]

Dear Jackie

Confirmation of CPD approval

Congratulations! The Marketing Association of South Africa [“MASA”] hereby confirms that the course “Meet the Hacker” was submitted to the MASA Continuing Professional Development (CPD) Panel for consideration, and has consequently been approved for 12 CPD points at the Chartered Marketer level, under the “Non-marketing” requirement for the current CPD cycle.

The Approval number for this course is: **MA CC 19001**. This number will be used by our members to claim the relevant CPD points, and by Pioneering Solutions Studio (PSS) to load the course onto the MarkEdOnline platform – please see <https://www.marked.online/>.

We thank you for pursuing CPD approval from MASA, and look forward to future content from the Cyber Academy.

Yours sincerely,

Enrico du Plessis
Chairperson: Professional Designations Board
The Marketing Association of South Africa
